

Bentley SELECT Licensing Program Eligibility

August 3rd, 2021

Not all Bentley products are eligible for the licensing programs listed below. This list supplements the Bentley SELECT Program Agreement where the Bentley User is referred to SELECT Online to find which products are eligible for respective licensing programs under the Agreement. Without a specific designation of eligibility, a product is not eligible for the program. All products listed are eligible for coverage under a SELECT Program subscription. The downloadable file is searchable in PDF format.

This document contains two versions of the list, first by product line category, followed by product name in alphabetical order.

Please refer to the notes at the end of this report and to your SELECT Program Agreement for more detail.
