Bentley does not claim ownership of the materials you provide in this application (each a "Submission" and collectively "Submissions"). Bentley will hold this Submission in strictest confidence and will not use it for any purpose unrelated to your application. By making this Submission you warrant and represent that you or your organization own or otherwise control all of the rights to your Submission, without limitation, all the rights necessary for you to provide, post, upload, input, or submit the Submission. In addition to the warranty and representation set forth above, by making a Submission that contains images, photographs, pictures, or that are otherwise graphical in whole or in part ("Images"), you warrant and represent that (a) you are the copyright owner of such Images, or that the copyright owner of such Images has granted you permission to use such Images or any content and/or images contained in such Images consistent with the manner and purpose of your use, and (b) you have the rights necessary to share the Images with Bentley pursuant to this Submission. By making this Submission, you are granting Bentley permission to review the Submission in its entirety.
