Bentley Licensing Program Eligibility

July 6th, 2026

Not all Bentley products are eligible for the licensing programs listed below. This list supplements and make reference to an applicable Bentley Commercial Program Subscription Agreement. Without a specific designation of eligibility, a product is not eligible for the program. All products listed are eligible for coverage under an applicable Commercial Program subscription. The downloadable file is searchable in PDF format.

This document contains two versions of the list, first by product line category, followed by product name in alphabetical order.

Please refer to the notes at the end of this report and to your Commercial Program Subscription Agreement for more detail.

Notes:

(1) ConstructSIM is not eligible for the standard Bentley Monthly or Annual license subscription programs. However, it is eligible for Project Based Licensing

(2) Subscription licensing – When offered, Subscription Licensing may be available annually, quarterly, or monthly. Please check with your Bentley sales representative about products of interest to you.

(3) Portfolio Balancing – Any product may be traded out for other products, however, only certain products can be received in exchange (Yes/No).

(4) AEP – Additional Eligible Products may require additional contractual provisions. Other conditions apply, please refer to your SELECT Program Agreement, Exhibit LS, Clause 5.

(5) E365 Category definitions:

Category A: Fees based on daily usage per unique persona.

Category B: Fees based on unique personas per calendar quarter.

Category C: Fixed quarterly fee. Proposal or other commercial documentation is required to add coverage of these subscriptions. Please contact your Account Manager.

Category D: Fees based on total number of processing units consumed quarterly.

Category E: Fees based on the storage needs of the highest peak day quarterly.
