This press release contains statements that are not historical in nature and that are intended to be, and are hereby identified as, “forward looking statements” as defined in the Private Securities Litigation Reform Act of 1995, including a statement regarding expectations as to payment of a quarterly cash dividend in the foreseeable future. Any future determination as to payment of dividends will depend upon the financial condition and results of operations of the company and such other factors as are deemed relevant by the board of directors. For example, macroeconomic conditions, pandemic consequences, a change in business needs including working capital, or a change in income tax law relating to dividends, could cause the company to decide not to pay a dividend in the future. A discussion of other risks and uncertainties is included in the company’s filings with the SEC, including its Annual Report on Form 10-K for the year ended December 31, 2022, and subsequent filings.
