Enterprise 365 Program Agreement

E365 Program Terms

1. Definitions.

The capitalized words, terms and phrases in these E365 Program Terms shall have the meanings set forth below, in the Cloud Services Subscription Terms or in the Bentley General Terms and Conditions.

2. Applicability.

At Subscriber's request and upon Bentley's approval, Subscriber and its authorized Affiliates (as defined below) may participate in the E365 Program, subject to the terms and conditions of the Agreement. To be eligible to participate, Subscriber must (i) be current on all outstanding invoices for amounts owed to Bentley; (ii) be a current Subscriber to the Cloud Services Subscription ("CSS") program; and (iii) utilize SES for license administration.

3. Overview.

Upon Bentley's acceptance of Subscriber into the E365 Program, Subscriber shall be granted rights to Use certain E365 Products (as defined below) without limitation as to the number of Users. As a participant in the E365 Program, Subscriber acknowledges that its Cloud Services Subscription (CSS) shall be utilized to fund usage of E365 Products. Subscriber shall execute an E365 Order Form (which for the purposes of these E365 Program Terms is an Offering Document), which shall designate the "Estimated Fees", the subscription start date ("Start Date"), and the length of the subscription ("Subscription Term"). If Subscriber executes multiple E365 Order Forms over time, the E365 Order Form with the most recent execution date shall supersede all previous E365 Order Forms.

4. E365 Products.

Bentley Products eligible for CSS funding through the E365 Program ("E365 Products") are licensed on the following bases: i) named user or unique machine per day ("Category A Products"); ii) named user or unique machine per quarter ("Category B Products"); iii) fixed fee ("Category C Products"); iv) data processing units ("Category D Products"); or v) peak data storage ("Category E Products"). License model and pricing information for E365 Products are included in the Enterprise 365 Price List. Additional eligible products and subscriptions may be quoted separately. Bentley may amend the list of E365 Products and the Enterprise 365 Price List from time to time in Bentley's sole discretion.

5. Affiliate Participation.

Subscriber acknowledges that its Affiliates may Use E365 Products ("Affiliate E365 Transactions") and hereby authorizes Bentley to hold certain CSS funds from the "Annual Commitment" (as set out in the CSS Order Form) in trust for payment of E365 Products. Subscriber agrees that it shall expressly authorize payment for each Affiliate E365 Transaction. Except in cases where an Affiliate has executed an Affiliate Participation Letter (defined below), Subscriber agrees to remain responsible for its participating Affiliates' compliance with the terms and conditions of the Agreement. Moreover, with respect to any participating Affiliates, each Affiliate's respective pre-existing agreement with Bentley, including but not limited to a SELECT Program Agreement, if any, between Affiliate and Bentley, shall terminate immediately upon, and as a pre-condition to, such Affiliate's participation in the E365 Program. For the purposes of these E365 Program Terms, "Affiliate" shall mean: any incorporated or non-incorporated entity: (i) listed on a Baseline Products and Affiliate List attached to the E365 Order Form, which may be amended by Bentley from time-to-time throughout the Subscription Term to update the list of Subscriber's Affiliates or (ii) whose participation in the E365 Program is approved by Bentley upon such entity's execution of an "Affiliate Participation Letter".

6. E365 Products License Grant.

6.1. Production Use. In consideration for full payment of the CSS Payments and, provided that Subscriber is not otherwise in breach of the Agreement, Bentley hereby grants to Subscriber a non-exclusive, limited, revocable, non-transferable, non-assignable license to Use the E365 Products in Production Use during the E365 Subscription Term, without limitation as to the number of Users who may Use the E365 Products.

6.2. Evaluation Use. Subscriber may request, and Bentley may at its sole discretion grant to Subscriber a limited, non-transferable, revocable, non-exclusive right to use Eligible Products for internal evaluation or testing use only (an "Evaluation License"), provided that such Evaluation Licenses are not used for Production Use. To the extent that an Evaluation License is used in breach of the restrictions set forth herein (an "Unauthorized Use"), then each such instance of Unauthorized Use shall count as an instance of Use of E365 Products.

7. CSS Funding.

Subscriber's CSS shall be the funding mechanism utilized to pay for usage of E365 Products.

8. Floor.

8.1. The E365 Order Form may designate a minimum quarterly fee ("Quarterly Floor"), which shall only be valid for the annual twelve-month period(s) set forth in the E365 Order Form (each a "Floor Period"). If the value of actual Usage, as calculated based on the Enterprise 365 Price List, for any quarter ("Quarterly Usage Value") is less than the Quarterly Floor during a Floor Period, the fee for such quarter shall be the Quarterly Floor.

8.2. Acquisitions.

(a) Bentley Acquisitions. Should Bentley, following an acquisition, add acquired software ("Acquisition Product") to the E365 Products during a given Floor Period, and Subscriber uses such Acquisition Product, Bentley, in its sole discretion, may require that the parties negotiate a new Quarterly Floor. If the parties fail to reach agreement by the end of the current quarter, Bentley shall have the right to terminate the E365 Program subscription in accordance with clause 10 herein.

(b) Subscriber Acquisitions. Should Subscriber, during a given Floor Period acquire an entity which is a current subscriber to a Bentley commercial licensing program, Bentley, in its sole discretion, may require that the parties negotiate a new Quarterly Floor. If the parties fail to reach agreement by the end of the current quarter, Bentley shall have the right to terminate the E365 Program subscription in accordance with clause 10 herein.

8.3. Category C Products. Usage of E365 Products estimated for purposes of calculating a Quarterly Floor assume usage of only Category A, B, D, and E Products listed in the Enterprise 365 Price List plus any Category C Products subscribed to as of the subscription start date as indicated on the E365 Order Form ("Start Date"). Should Subscriber add or modify a Category C Product during a given Floor Period, the fees for the Category C Product from the start of the subscription to the next Anniversary Date will be billed quarterly from Subscriber's CSS and accounted for separately from the fees for the E365 Products. From the next Anniversary Date, the additional Category C Product fees will be included in the Estimated Fees, and any Quarterly Floor values for the subsequent year will be adjusted accordingly.

9. E365 Services.

- 9.1. Subscriber may request professional services from time to time and Bentley may agree to perform such services pursuant to this Agreement. The professional services requested by Subscriber and which Bentley agrees to perform shall hereinafter be referred to as “**Services Offerings**”. Further details regarding Services Offerings may be found in the Services Terms herein.
- 9.2. Some Services Offerings will have a fixed cost expressed as a given number of “**Credits**”. Each Credit is valid for twelve months from either the Start Date, as set forth on the E365 Order Form, or a given anniversary of the Start Date (each an “**Anniversary Date**”), as applicable. For the sake of clarity, if one or more relevant Credits expire after delivery of a Services Offering has commenced but before it is completed, delivery shall continue for a maximum of 90 days from commencement of the Services Offering based on the expired Credits, and Subscriber will not be asked to expend any additional Credits for that Services Offering. Subscriber will be allocated a number of Credits, based initially on Subscriber’s Estimated Fees as set forth on the E365 Order Form, and in subsequent years on the Requested Funding Amount listed on a given “**Enterprise 365 Request for Funding**” document. For the sake of clarity, the number of allocated Credits may be zero.

Subscriber acknowledges that subscriptions to certain Bentley Products may be subject to a different termination notice period, which shall be set out in the applicable Offering Document. Prior to the start of the E365 Program subscription, Bentley may extend Subscriber’s then-current Bentley subscriptions on a pro-rated basis to the end of the then-current calendar quarter.
- 10.2. **Termination for Material Breach.** Either party may, at its option, terminate this Agreement in the event of a material breach of this Agreement by the other party. Any such termination may be affected only through a written notice to the other party, specifically identifying the breach or breaches on which termination is based. Following receipt of such notice, the party in breach shall have thirty (30) days to cure such breach or breaches, and this Agreement shall terminate in the event that such cure is not made by the end of such period; provided, however, Bentley shall have the right to terminate this Agreement immediately if Subscriber breaches any of its obligations under Section 3 of the General Terms and Conditions. The failure of Subscriber to pay an outstanding invoice of Bentley shall always constitute a material breach of this Agreement.
- 10.3. **Insolvency.** If, under applicable insolvency laws, Subscriber becomes unable to pay its debts or becomes insolvent or bankrupt or makes arrangements with its creditors, or otherwise goes into liquidation, administration, examinership or receivership, then Bentley shall have the right to terminate this Agreement immediately by written notice.
- 10.4. **Event of Termination.** Upon the termination of this Agreement for any reason, all of the rights and licenses granted to Subscriber in this Agreement shall terminate immediately. With respect to any perpetually licensed Products, the terms and conditions set forth in the license agreement delivered with such Products shall govern Subscriber’s use of such Products. Subscriber shall immediately discontinue use of SES. In the event of a termination for convenience of Subscriber’s E365 Program subscription according to Section 10.1 herein, all delivery of services towards any Services Offering shall cease immediately following the receipt by Bentley or Subscriber of a Termination Notice.

In no event shall Bentley's liability under this sub-section (5.7.2) to Subscriber exceed the license fees paid by Subscriber for the allegedly infringing Product.

Bentley shall have no liability and this indemnity shall not apply if the alleged infringement is contained in a Product which is not developed or owned by Bentley or is due to modification of the Product by Subscriber or the combination, operation or use of a Product with other software that does not originate from Bentley or if Subscriber is in breach of the Agreement. Bentley shall also have no liability, and this indemnity shall not apply, for the portion of any claim of infringement based on use of a superseded or altered release of a Product if the infringement would have been avoided using a current, unaltered release of the Product.

This Section 5.7 sets forth Subscriber's sole remedy for intellectual property infringement.

Cloud Services Subscription Terms

1. Definitions.

The capitalized words, terms and phrases used in the Cloud Services Subscription Order Form ("**CSS Order Form**") and these Cloud Services Subscription Terms shall have the meanings set forth below or in the Bentley General Terms and Conditions.

2. Overview.

At Subscriber's request and upon Bentley's approval, Subscriber and its authorized Affiliates (as defined in the E365 Program Terms) may participate in the Cloud Services Subscription ("**CSS**") program, subject to the terms and conditions stated in these Cloud Services Subscription Terms ("**CSS Terms**"). To be eligible to participate, Subscriber must be current on all outstanding invoices for amounts owed to Bentley. As a participant in the CSS program, Subscriber agrees to pay payments to Bentley ("**CSS Payments**"), which can be used to fund Eligible CSS Services (as defined below). Prior to participating in the CSS program, Subscriber shall execute a CSS Order Form, which shall designate the Initial CSS Payment. In the event Subscriber executes multiple CSS Order Forms over time, the CSS Order Form with the most recent execution date shall supersede all previous CSS Order Forms.

3. Eligible Services.

Bentley services eligible for funding through the CSS program include Term Licenses (as defined in the SELECT Program Terms), CALs (including Visas and Passports) (as defined in the SELECT Program Terms), Cloud Offerings, E365 Program and Recurring Services ("**Eligible CSS Services**"). Bentley may amend the list of Eligible CSS Services from time to time at Bentley's sole discretion. Only Eligible CSS Services invoiced for during the CSS subscription are eligible for CSS funding through the CSS program.

4. Affiliate Participation.

Subscriber acknowledges that its affiliates may utilize Subscriber's CSS to fund Eligible CSS Services ("**Affiliate CSS Transactions**") and hereby authorizes Bentley to hold certain CSS funds in trust for payment of Eligible CSS Services. Subscriber agrees that it shall expressly authorize payment for each Affiliate CSS Transaction.

5. CSS Payments and Balances.

5.1. Initial CSS Payment.

Subscriber agrees to pay Bentley an Initial CSS Payment, which is based on a good faith estimate of anticipated fees, including applicable taxes, to be assessed for Eligible CSS Services for a twelve-month period ("**Estimated Annual Fees**") beginning with the CSS subscription start date, as indicated on the CSS Order Form. The value of the Initial CSS Payment shall constitute the initial CSS balance (at any time during the CSS Subscription, the "**CSS Balance**"), which will be drawn down as Eligible CSS Services are consumed.

5.2. CSS Replenishment.

Subscriber agrees to make additional payments prior to the complete depletion of the CSS Balance. The minimum replenishment amount will be based on the balance of any unpaid invoices for Eligible CSS Services plus the Estimated Annual Fees calculated for a twelve-month period beginning with the approximate date at which the CSS Balance will be depleted. Subscriber may make additional payments at any time, but the minimum value of such replenishment must be the Estimated Annual Fees calculated for a twelve-month period beginning with the date the additional payment is made.

5.3. CSS Payments.

Bentley shall issue a payment request to Subscriber for the Initial CSS Payment in accordance with the amount set forth in the CSS Order Form (hereinafter "**Payment Request**," which may refer to any payment request document entitled "Payment Request," "Invoice" or similar identifier). Payment terms shall be as set forth in the Bentley General Terms and Conditions. Thereafter, Bentley may issue additional Payment Requests to replenish the CSS Balance (as defined in Section 5.2 herein). In the event of a Payment Request that is past due, Bentley may in addition to exercising any rights provided in Section 2.1 of Bentley's General Terms and Conditions, take technical measures aimed at restricting or discontinuing Subscriber's Use of the Eligible Services. Subscriber's failure to cure such non-payment within thirty (30) days may, in Bentley's sole discretion, be deemed an effective termination of Subscriber's participation in the CSS program, in which case:

5.3.1. To the extent that the technical measures referenced above in this Section 5.3 did not include cessation of access to Eligible CSS Services, such access shall cease upon termination;

5.3.2. Subscriber will be invoiced for Eligible CSS Services provided during such period; and

5.3.3. Bentley will return any remaining CSS funds in accordance with Section 6.2 herein.

5.4. CSS Statements.

Following each quarter, Bentley shall provide Subscriber with a statement itemizing consumption of Eligible CSS Services and Subscriber's remaining CSS Balance as of the end of that quarter.

6. Miscellaneous.

6.1. Terms are Confidential.

Subscriber hereby acknowledges that the terms and conditions of the CSS Order Form are confidential in nature and Subscriber hereby agrees that neither it nor its Affiliates shall disclose the contents of the CSS Order Form to any third party.

Enterprise 365 Program Agreement

6.2. CSS Balance Post-termination.

Any positive CSS Balance present upon termination of the Agreement will be returned to Subscriber within thirty (30) days from when the Agreement termination becomes effective.

6.3. Conflicts.

In the event of any inconsistency between the Cloud Services Subscription Terms and the Agreement or any other applicable Bentley terms and conditions, the Cloud Services Subscription Terms shall control with respect to Subscriber’s participation in the CSS program.
